Slight Snow showers

- 13 Thur 9 AM 32. Thawing
14 Fri 8 AM 31. Thawing
15 Sat 9 AM 32 Thawing
16 Sun 9 AM 31 Fine
17 Mon 9 AM 24. Fine

5

January 1820

- 18 Tues Ther, at 9 AM. 29 Dry cold
Snow at Night
19 Wed 8½ AM 31. Snowing
and lying in deep wreaths
20 Thur 8½ AM 17½ Keen
Frost all day
21 Fri 8 AM. 33½ at 9 AM 34½
Slight Thaw
22 Sat 9 AM 24½ Fine
At about 8 PM it began to thaw
Notwithstanding the Thermome-
-ter was so low as 24½ at 9
AM, from the effects it would
appear that the cold was the
greatest of any preceding night
the water was frozen more in
the Jugs in our rooms, and
the Cream crocks were frozen
in the Pantry

6

January 1820

- 23 Sun. Ther, at 9 AM. 42. A very
stormy Night with rain which
beat through every crevice
so that our rooms were running
wet. A great deal of the

Snow has disappeared and
the Mountain face is won
-derfully cleared.

24 Mon Ther at 8 AM. 47. Mild day
Stormy for about 2 hours at
6 or 7 PM

25 Tues 9½ AM 41 Wet

26 Wed 8 AM. 40 Dry
day

27 Thur 8 AM 44. A Night
Heavy Rain, about 3 AM very
Stormy - from 12 a fine day
A Number of the Fish in the
Pond found dead, but whe

7

January 1820

-ther their death was cau
-sed by the exclusion of air
by the Ice, or the cold, I
cannot determine, it
was observable however
that on breaking the Ice
a very foetid air arose
from the water

28 Fri. Thur, at 8 AM. 44. Fine

29 Sat Ther at 8 AM 35½ Wet
Hoar frost Wet afternoon and Night

30 Sun 8 AM 41 Rain at
Night

On examining two little fish
bought in Belfast Market from
Strangford I found them to be
the *Antherina Hepsetus*

31 Mon 8½ AM 42 Some

Showers and squalls
